

Do you want to enrol in the aifc Graduate Diploma but lack a relevant undergraduate degree?

Stirling Theological College now offers a three-unit

Graduate Certificate in Divinity

This course is specifically tailored to meet aifc Graduate Diploma in Counselling and Integrated Psychotherapy (Spiritual) entry requirements, AND it can be completed **entirely online**.

Pastoral Care in Context 1

DP8008L

An introduction to pastoral care and counselling skills for those who wish to be better equipped for ministry within their own workplace, congregation or community. It covers the theological basis for Christian helping and introduces foundational helping skills using the CARE model.

Semester 1
2018

Interpreting Christological Presence Within the Vicissitudes of Life

CT8702S

An exploration of the challenges and issues of life while considering the interface of the Christian testimony, faith, community, hope, ethics and freedom.

Semester 1
2018

Pastoral Care in Context 2

DP8027L

A natural extension to *Pastoral Care in Context 1*, this builds on the care and counselling skills that were established in the first unit, extending their use into specific pastoral contexts.

Semester 2
2018
